

NEW YEAR'S EVE

For the rest of the year, we pride ourselves on being a friendly, welcoming pub who like to provide our customers with great fresh food and quality drinks.

This year, we are keeping things nice and simple, so no dress code unless of course you want to dress to impress, no entry charge, just our friendly staff waiting to welcome you and the New Year in.

To get into the mood our chefs will be adding a little something extra special to our menu, we will turn up the music, light the candles and have a selection of sparkling wines available to toast the New Year in style.

We hope you will join us in welcoming in the start of the New Year.

Booking isn't essential but is advisable to avoid disappointment.
